Summary

I'm an Information System from University Persada Indonesia Y.A.I. i hav interest in Web Developer

Experience

Junior Web Programmer
Intern in Pusyantek BPPT
pusyantek.bppt.go.id

Jakarta, Indonesia - Fulltime
Aug 2020 - Nov 2020

I am working on a web project including responsiveness for the mobile version. I usually have the first meeting and I create a system design and get a rough wireframe, then I create a mockup. when my final mockup I convert it into HTML, CSS, Boostrap 4, CODEIGNITER, , and used MySQL for the database. Apart from that, I also reviewed several website marketplaces for analysis.

Front End Web Developer
Intern in Sociabuzz
https://sociabuzz.com

Jakarta, Indonesia - Fulltime
Oct 2021 - Present

I am working on a web project including responsiveness for the mobile version. I create a project that uses tech HTML, CSS, Bootstrap 4, Javascript, and Jquery.

Education

University Persada Indonesia Y.A.I
Bachelor of Informatics, GPA 3.57
Jakarta, Indonesia, Graduated in 2021

Organization

I became part of the organization of a student activity unit engaged in the religious field.

Project

I created a covid data website to provide data information about covid 19 and vaccine developments in Indonesia. the data I use uses APIs from multiple sources.

Tools & Skill

Figma	HTML5	React JS
Adobe XD	CSS	Codeigniter
UI UX Design	Javascript	Laravel
